

Announcement

Good afternoon, please send the message below to all parents/caregivers:

Manitoba Education has announced all staff will return to school in the fall on Wednesday, September 2, 2020. **Students will return on Tuesday, September 8, 2020.** We do not know yet if this will be a full return to school for all students or if it will involve a partial/gradual return. We are also waiting for further information regarding protocols for student transportation in the fall, and what may be required in terms of social distancing measures on buses and/or in schools.

We know families need to plan accordingly, and as soon as we have more information it will be shared immediately. The school year calendar for 2020-2021 will be revised and redistributed as soon as we are able to do so. Thank you.
