

Turtle Mountain School Division

Annual Report on Continuous Improvement 2021-2022

Identification		
Name of School Division: Turtle Mountain	Name of Superintendent: Grant Wiesner	Date (yyyy/mm/dd): 2022/10/31

Mission Statement:
The students are the focus of all our efforts. The Division strives to provide an education that prepares individuals for a meaningful life in a changing world. We promote a learning environment that begins in the home, continues in the school, and is supported by the community.

Division Profile
<p>Turtle Mountain School Division serves the communities of Killarney, Boissevain, Minto, as well as provides education services to the students in four Hutterite colonies. Killarney and Boissevain each have a K-12 school, while Minto School is K-8 with students then transitioning to Boissevain for their high school programming. The four colonies each have K-12 schools. We also work closely with the Turtle Mountain Adult Education Centre, which operates out of two sites in both Killarney and Boissevain.</p> <p>Turtle Mountain School Division's focus is to meet the needs of all students. As the Division has been navigating the COVID-19 pandemic, we have been working on the areas of strengthening literacy and numeracy achievement, enhancing student experiences and engagement, strengthening pathways to student success, and developing strong and resilient students. The Division has been working on a mentorship project, as the 2021-2022 school year had 46% of staff being new to the profession (5 years experience or less). Teacher mentors were supervised by the Superintendent/CEO and the Literacy and Numeracy teacher-leaders. The mentorship project addressed the following topics: how we do things in TMSD, assessment and evaluation, best practices in teaching and learning, Manitoba Rural Learning Consortium (specifically the Numeracy Achievement Program), Teaching Sprints, Professional Learning Communities, using data to guide teaching and learning, grade-to-grade transitioning, and administration and reporting of the provincial assessments in grades 3, 7, 8.</p> <p>In Turtle Mountain School Division we have also been targeting our efforts to strengthen engagement and resilience amongst our students. These two student characteristics were significantly impacted as a result of the COVID-19 pandemic and remote learning. As part of our efforts to support student engagement and resilience, we surveyed students using the OurSchool survey and have been looking at where student needs have been identified. The Division has used the Learning to Age 18 funding, along with divisional resources, to fund a divisional social worker since 2017-2018. We feel this position has served us well in supporting at-risk students and in building relationships with families.</p>

**Senior Administration Team**

Turtle Mountain School Division's Senior Administration team consists of a Superintendent/CEO, an Assistant Superintendent of Student Services, and a Secretary-Treasurer. The Division also has a Supervisor of Transportation, Buildings and Maintenance.

Superintendent/CEO:

The Superintendent/CEO shall provide leadership in developing, achieving and maintaining educational and operational programs and services. The Superintendent has the authority to delegate to other personnel all activities related to the provision of educational programs and services, and operational/transportation services. The Superintendent/CEO is primarily responsible to the Board for all functions of the Division.

Assistant Superintendent of Student Services:

Reporting to the Superintendent, the Assistant Superintendent of Student Services provides leadership and the support required to develop and maintain all aspects of exceptional education programs and services to the Division using the collaborative/ consultative resource model of service delivery.

Secretary-Treasurer:

The Secretary-Treasurer acts as the secretary and financial manager within the Division. The Secretary-Treasurer administers and supervises all activities related to nonteaching and/or support services sector as defined within this job description and in the organizational chart. The Secretary-Treasurer is primarily responsible for fiscal management. The Secretary-Treasurer reports to the Superintendent/CEO. The Secretary-Treasurer provides leadership in business administration activities, which includes: accounting, purchasing, payroll, general administration and those areas of responsibility specifically assigned to her.

Supervisor of Transportation, Buildings and Maintenance:

The Supervisor of Transportation and Maintenance is responsible for the management of the Transportation and Maintenance functions within the Division and reports to the Superintendent/CEO.

Student Demographics:

<i>Disaggregation</i>	<i>Number of Students</i>	<i>Percentage of Student Population</i>
English as an Additional Language	196	18.9% (12.7% Hutterian, 6.2% other EAL)
Self-declared Indigenous	122	11.7%
Children in Care	12	1.2%
Non-indigenous, non-EAL	721	68.2%

Total Student Population	1039	
--------------------------	------	--

Staffing Profile:

Full-Time Equivalents	Number
Principals	6
Vice Principals	2
Teachers	81
Counsellors	2
Resource Teachers	6
Teachers supporting special needs low enrolment classes	0
Educational Assistants	52
Speech Language Pathologists	1.47
Reading Clinicians	1
Occupational Therapists	0.5
Physiotherapists	0
Psychologists	0.25
Social Workers	1
Other Professional Staff (specify):	
Literacy Teacher-Leader	0.8
Numeracy Teacher-Leader	0.5
Career Development/CTS/Apprenticeship Teacher-Leader	0.5

Education for Sustainable Development:

Education for Sustainable Development	Number of Schools
Number of schools in the division	7
Number of schools with an ESD plan	7

Strategic Plan:

The Turtle Mountain School Division's Strategic Plan can be found on our website at www.tmsd.mb.ca.

Division Priorities

- Strengthen Literacy and Numeracy Achievement
- Enhance Student Experiences and Engagement
- Strengthen Pathways to Student Success
- Develop Strong and Resilient Students

Planning Process:

List or describe factors that influenced your priorities.

Our priorities are based primarily on feedback received from various stakeholders, including students, staff, parents, and community through a strategic planning meeting, surveys, and school-based and divisional data. Our plan also includes priorities as required by the province. We also have maintained data from a variety of sources, ranging from Early Years to Grade 12, which we have referenced.

Describe the planning process and the involvement of students, staff, families and the community. Who was involved?

We held a community forum in October of 2019 as part of the renewal of our four year strategic plan. We also engaged staff, students, and parents in a survey process, and a very strong response rate which was very positive.

How often did you meet?

We held a one day community forum in October 2019, as well as the survey process which occurred over a period of several weeks. We also meet as an administration group, as well as with the Board, on an ongoing basis to review progress. As part of the four year strategic plan we revise goals annually.

What data was used?

We reviewed Resiliency Survey results, OurSchool survey results, graduating student survey results, academic achievement data, EDI results, mRLC's NAP results for Grades 4-9, provincial data (grades 3, 7 and 8), divisional Literacy/Numeracy results, as well as Fountas and Pinnell data for our school division. The Division also analyzes high school graduation rates, trends in the provincial report card, and historically examines successful credit attainment and average marks in the grade 12 provincial assessments in Mathematics and English Language Arts.

Grant Expenditures
Indigenous Academic Achievement: (\$27,000) <ul style="list-style-type: none">0.25 FTE Divisional Numeracy Teacher-Leader (Wages and Benefits)
Career Development: (\$31,250) <ul style="list-style-type: none">0.43 FTE CDI/HSAP Divisional Coordinator Position (Wages, Benefits)
Early Years' Enhancement: (\$90,000) <ul style="list-style-type: none">0.45 FTE Early Years' Teaching Position (Wages and Benefits): Boissevain School0.45 FTE Early Years' Teaching Position (Wages and Benefits): Killarney School
Early Childhood Development Initiative: (\$15,150) <ul style="list-style-type: none">Work with the Turtle Mountain Community of Early Childhood Educators (collaboration of the Turtle Mountain Community of Early Childhood Educators: Public Health, Turtle Mountain School Division, PROMISE Years, Boissevain, Killarney & Minto Early Learning Centres and Nursery Schools) in planning and running Three Year Old Wellness Fairs in Boissevain and Killarney (*canceled in spring 2022*)Professional Development: \$1,240.18
English as an Additional Language: (\$74,950) <ul style="list-style-type: none">0.16 FTE Divisional Literacy Teacher-Leader (Wages and Benefits)1.0 FTE Educational Assistant: Boissevain School (Wages and Benefits)1.0 FTE Educational Assistant: Killarney School (Wages and Benefits)
Learning to Age 18 Coordinator: (\$20,000) <ul style="list-style-type: none">0.21 FTE Divisional Social Work Clinician (Wages and Benefits)
Literacy and Numeracy: (\$81,192) <ul style="list-style-type: none">0.95 FTE Reading Recovery Teacher (Wages, Benefits, and Supplies)0.20 FTE Divisional Numeracy Teacher-Leader (Wages and Benefits)
Technology Education Grant: (\$34,040) <ul style="list-style-type: none">Equipment and supplies for vocational programming: Industrial Arts and Human Ecology

Expected Outcomes What specifically was TMSD trying to improve for student learning? (observable, measurable)	OUTCOME 1: Turtle Mountain School Division will strengthen Literacy and Numeracy achievement, across all Grade levels and for all students.		
Strategies What actions did TMSD take?	Indicators How did TMSD know that learning is improving?	Data Collection By what means did TMSD collect evidence of progress toward learning?	Results (status, data or anecdotal evidence)
