

The theatre returns to Minto School

A celebration of learning

“Real isn’t how you are made. It’s a thing that happens to you. When a child loves you for a long, long time, not just to play with, but REALLY loves you, then you become Real. Once you are real you can’t become unreal again. It lasts for always.”

Students from Grade 4-8 have been working since Christmas to bring you the classic tale of “The Velveteen Rabbit,” based on the story by Margery Williams. You will enjoy the nursery as it comes alive with the antics of the toys and the imagination of the boy. You’ll enjoy the heartwarming story of a rabbit that wants to be real and a boy who loves her.

Please join us on May 3 at 7:00 pm at Minto Community Hall.
Admission is free.

Term 2 student-led conferences were held on March 20. Students once again showed their families their online portfolio through the SeeSaw platform.

Students always exhibit great pride and joy in showing their portfolios as well as everything else they have been working on at school.

Celebrating accomplishments is a valuable part of growing as a learner.

Spring into spirit

From April 16 to 20, the Minto Student Council set out to fill our building with school spirit. Student Council members planned dress up days and noon hour activities such as face-painting and toilet-paper-a-teacher. The week once again wrapped up with our annual town-wide clean-up. Prior to these spirit days, Minto School also participated in themed days both in support of the Humboldt Broncos and the Day of Pink on April 11. During these days students all showed respect, awareness, and spirit.
