

SCHOOL FUNDRAISING

Turtle Mountain School Division supports and encourages fundraising activities for useful, educational and extra-curricular activities.

The following guidelines will apply to all school fundraising activities.

1. School fundraising for educational and extra-curricular activities.

All fundraising activity by any school will be undertaken with the consent of the school principal.

The principal in consultation with staff will consider the following in approving school-related fundraising:

- a) Its educational value.
- b) The frequency of fundraising events in the community.
- c) Conflict with other fundraising activities in the community.
- d) The necessity of the fundraising activity.

2. School fundraising for external, non-profit groups.

In considering external or non-profit fundraising, the following shall be used:

- a) The educational and leadership value.
- b) Its relevance to the community or region.
- c) Its public purpose.
- d) The potential conflict with other fundraising efforts.
- e) Whether the fundraising activity conflicts with other non-profit or local business activity.

3. Corporate involvement:

The Division endorses the concept of partnerships and sponsorships with commercial enterprises.

Commercial sponsorship shall not be allowed to overshadow the original purposes of the team, event or activity.
