

New Policy, E-2 Emergency Use of Division Buses and Facilities

Turtle Mountain School Division agrees that in the event of an emergency situation, and upon request by those in authority as delegated under the powers of the municipal councils under [The Emergency Measures Act](#), any or all Division-owned school buses shall be made available for use for evacuation or other emergency purposes. Anyone driving division-owned buses other than T.M.S.D. bus drivers will be required to possess a valid Manitoba driver's license with the required classification. Further, the Division school bus radio frequency shall be available for use if required. Turtle Mountain School Division also agrees to provide access to school facilities for the purposes of evacuation, as required. Memoranda of Understanding to this effect will be maintained with all Municipalities within Turtle Mountain School Division.
