

STUDENT CODE OF CONDUCT

Turtle Mountain School Division believes that every student has the right to attend a school that maintains a safe and caring learning environment. It is expected that all students will demonstrate behaviour which models respect, positive citizenship, and self-discipline at all times. All schools will develop a student code of conduct in accordance with Turtle Mountain School Division policies and procedures, the Manitoba Public Schools Act, and the Manitoba Human Rights Code. School codes of conduct will be reviewed with students and shared with parents on an annual basis.
