

CHILD PROTECTION

Turtle Mountain School Division supports efforts to protect children in our care. Staff will be advised of the guidelines incorporated into the Child and Family Services Act for the protection of children. These guidelines will be available in each of our schools with Student Services personnel. All staff will be provided with a copy of Turtle Mountain School Division's Protocol for Staff Concerning Child Protection and Child Abuse Disclosure within the school environment. All staff will follow the protocol when a child discloses or an incident is reported at school or during school activities.
