

FIELD TRIPS AND EXTRA-CURRICULAR ACTIVITIES

Turtle Mountain School Division supports the involvement of students and staff in field trips and extra-curricular activities both within and outside of Turtle Mountain School Division. These trips provide new opportunities and experiences for our students which extend beyond the walls of the classrooms and schools. The Division will take reasonable measures to ensure that these trips are inclusive and accommodate the needs of all students, appropriately managing risk, and serve an educational purpose.

See Procedure I-6
