

DISCRIMINATION

The Board of Trustees believes in and adheres to the Human Rights Act of the Province of Manitoba. It therefore employs the philosophy and principles contained therein dealing with staff, students, independent contractors, and all others providing or receiving goods and services within the Division.

In compliance with the Human Rights Act, no person shall be discriminated against in the employment practices of the Division; nor shall any person be excluded from participation in, be denied the benefits of, or be subjected to discrimination in any academic, extracurricular or other educational program or activity provided by the Division.

Refer to 4-R in the Administrative Manual.
