SCHOOL OF CHOICE POLICY

Turtle Mountain School Division recognizes the need for flexibility in student movement amongst schools both within and external to the Division. Turtle Mountain School Division will provide educational programming for students who live within the boundaries of the Division, who have a right to attend school as outlined in the Public Schools Act, and in accordance with the accompanying procedures. Turtle Mountain School Division will, within the Schools of Choice Guidelines as defined by Manitoba Education, facilitate parental choice in selecting the school best suited to a child's learning requirements. The Division reserves the right to verify claims of residency and guardianship. The Division shall not be responsible for transportation to or from school for any student exercising the School of Choice option.
